

Max Messick

Junior Web Developer

Columbus, Ohio · (614) 749-5434 · maxamus87@gmail.com

Creative and curious Junior Web Developer with a passion for building intuitive, visually compelling web experiences. Over a decade of customer service and technical support experience gives me strong communication skills and a natural instinct for problem-solving. A lifelong computer enthusiast, I recently completed a web development bootcamp at Color Coded Labs, channeling my creativity and a digital illustrator's eye for design into projects that balance aesthetics with functionality.
